

Add an extra level of care with CarePlus

Optum™ CarePlus brings more efficient, effective care right to the bedside. Our treat-in-place care model offers personalized care, improves communication and can help reduce unnecessary hospitalizations. That way, you and your loved one can get the comfort and support you need, where you need it most.

To learn more about CarePlus or to enroll today, call (920) 639-6801 or visit Optum.com/CarePlusStory.

To receive this support, you must be enrolled in the UnitedHealthcare Nursing Home Plan.
